Tim Unger,
18 years at TMMK (Georgetown, Ky.)
"I want a voice in decisions. If unions lose clout, what's to keep Toyota from resetting standards in the industry? It's the only way to go – unions."

Cornelia James,
18 years at TMMK (Georgetown)
"We have worked hard to make Toyota a success only to find out they have a 'secret plan' for us. It is time for Toyota management to sign a contract with us like everyone else they do business with."

John Williams,
18 years at TMMK (Georgetown)
"I am standing with my co-workers to make the "Toyota Way" a better way for us – the hard working Team Members that have made Toyota so great."

Yvette Taylor,
3 years at Canton, Miss., Nissan
"I wouldn't be going through what I am going through right now. The union would have protected me. Working as a group, you get more accomplished."
